

# Economic Development and Green Environment (EDGE) Pilot Program

Are you thinking about relocating or expanding your manufacturing business?

Would a flexible air permit help you accelerate the relocation/expansion?

**You should know about EDGE:** an innovative redevelopment program designed to provide certainty to Wisconsin manufacturers, communities, and developers.

- To participate:
  - Build on a site with Voluntary Party Liability Exemption standing
  - Participate in Green Tier
- Eligible participants receive:
  - Flexible air registration permit
  - No additional air pollution controls for 10 years (unless federally required)
  - Environmental liability protections
  - Single point of contact within DNR
  - Recognition of superior environmental performance

Do you qualify for an Air Registration Permit?

Would you build on or redevelop a Brownfield?

Do you, or would you, implement an Environmental Management System?

Contact DNR at [DNREDGE@wi.gov](mailto:DNREDGE@wi.gov) for information on becoming a participant in the *EDGE Pilot*
